Principal's Message

This has been an interesting and exciting year for all of us at Highlands Junior High School. In addition to our regular students, this year marked the first for a new Behaviour and Learning Assistance class. A great success for the first year! Another highlight of the year was when our Curriculum Coordinator, Joanne Aldridge, received a provincial Excellence in Teaching Award. Ms. Aldridge was recognized not only for her excellent teaching but also for her leadership on staff with the Instructional Focus. All of our teaching staff worked hard on our Instructional Focus of Reading Comprehension with measurable results.

I would like to thank our grade 9's for a fine year of leadership and hard work. You have left a strong foundation upon which our grade 7's and 8's can build. Thank you and the best of luck in the future!

We hope that as you grow older and look back on this year you will remember the laughs, the friends and the fun we all had together. Thank you to our students, staff, parents and volunteers for making another great year at Highlands!

Jerry Bayly,
Principal
